Attendance

I am able to attend the full 12-week program in-person in Washington, D.C. from March 4 - May 24, 2024.:

Education

You only need to have met at least ONE of the following education requirements.

Are you a current graduate, postdoctoral, or professional school student pursuing a terminal degree (e.g., Ph. D, M.D., etc.) in any discipline within the sciences, engineering, or medicine (including the social sciences)?:

Have you completed your terminal degree or completed post-doctoral/medical doctor training within the last five (5) years (i.e., on or after November 1, 2018) in any discipline within the sciences, engineering, or medicine (including the social sciences)? :

Do you exceed the 5-year limit due to caregiving leave or military service? :

Citizenship

I am based in the United States and do not require visa sponsorship from the National Academies in order to remain in the U.S. during the program dates. :

Funding Acknowledgement

Note: If selected, international applicants must provide copies of visa documents with their offer acceptance.

I understand that this is an educational training program which provides a stipend of \$11,000 to offset living expenses during the Fellowship period. It is not considered to be a scholarship, employment, or source of research funding.:
